Re: CIA Entrance at Route 123
Fairfax County

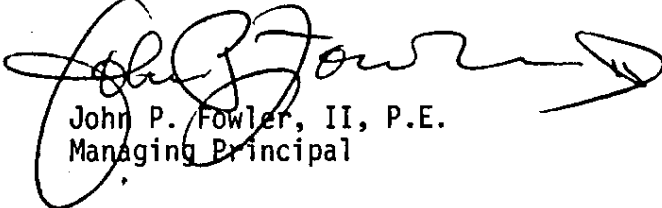

Dear Mr. Shaver:

As promised in a conversation with Mr. S.R. Conley of your staff, I am furnishing three copies of a draft of Scope of Services for the Phase I evaluation of access alternatives to the proposed CIA Complex. This Scope of Services outline has been revised to incorporate comments of the Department and the CIA received during our meeting of August 31st.

Please let me know if the Department has any additional comments which require incorporation prior to distribution to the CIA Traffic Advisory Committee.

Yours very truly,
